

3Arts GETS UP CLOSE AND PERSONAL

3ARTSCONNECTS

We are thrilled to announce 3ArtsConnects (3C), a new individual leadership giving program that bridges the gap between 3Arts awardees and 3Arts donors.

3C invites 3Arts donors to get closer to our awardees in intimate, salon-style gatherings that take place in homes, studios, and performance venues where the conversation is led by some of Chicago's most inventive and fascinating artists. By bringing our supporters and artists together, 3C shines a spotlight on women artists, artists of color, and artists with disabilities who work in the performing, teaching, and visual arts in our city.

3C members are 3Arts donors at the \$1,500 and higher level who are given access to exclusive benefits and programs that offer the opportunity to forge bonds with other arts patrons and foster a deeper relationship with artists and the 3Arts community.

Our first salon was held at the home of 3Arts board member Lisa Yun Lee and featured a lively interactive presentation by **Alberto Aguilar**, **Cheryl Pope**, and **Amanda Williams**.

The second salon of the series was hosted by 3Arts board members Chanel Coney and Meredith Brooks. The event took place at the home of Chanel Coney and featured a conversation with 3Arts theater arts awardees **Alana Arenas** and **Sandra Delgado**.

We invite you to support 3Arts and Chicago's remarkable artists by joining 3C. We hope to see you at our next gathering!
